

Bath Products

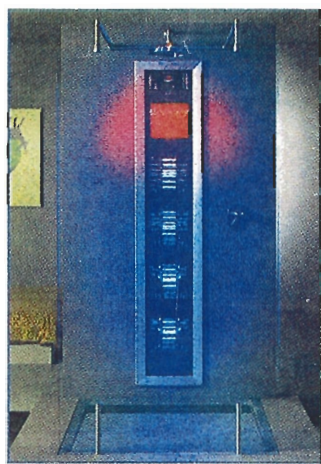

Flowing Shelf

Measuring nearly 16 inches wide, the lav mixer from the Axor Massaud collection features a sheet of water that flows down an asymmetrical shelf-like surface into a white, molded-mineral wash bowl. The collection also includes bath, shower, bidet, and accessory components, all with a chrome finish. Hansgrohe. 770.360.9880. www.hansgrohe-usa.com. **Circle 433**

Singled Out

Two of five new single-setting showerheads in the 300 collection, the 8-inch 350 and 360 models, are double-plated. The 300, 310, and 315 showerheads feature slimmer profiles, and measure 6 inches. Danze. 877.530.3344. www.danze.com. **Circle 436**

Light Tan

In addition to its tanning feature, the Sunshower can come with SR Plus, a panel of high-intensity LEDs that use near-infrared light. ProSun International. 800.874.2776. www.prosunshower.com. **Circle 434**

Warm and Fuzzy

The Home Spa towel-warming drawer brings up to four towels to 120 degrees in 15 minutes. The drawer comes in two sizes and installs into standard cabinets. Jacuzzi. 800.288.4002. www.jacuzzi.com. **Circle 435**

Showy Steam

Featuring Aromasteam, Chromasteam, and in-shower speakers, the Mr. Steam spa package comes with a steam generator. The Aromasteam system blends essential oils into the steam, and the Chromasteam system uses colors from blue to red. Moisture-resistant speakers can provide music from many audio sources.
