for the bathroom |

01. HOTEL LUXURY

Originally created for the Four Seasons Hotel in Boston, Mass., the Canterbury collection, part of the Elements line offered by **Symmons**, brings hotel luxury to the residential market. The collection includes a bathroom faucet, shower head, tub and shower valve, and roman tub faucet.

www.symmons.com

02. WATERFALL SPOUT

Offering a traditional rustic-theme, the Ashfield Collection from **Price Pfister** is a full line that includes lavatory with a decorative waterfall spout, tub and shower, roman tub and bath accessories. They are offered in polished chrome, satin nickel, rustic pewter, rustic bronze and Tuscan bronze.

Wanted: Golden Horse Shoe Dealer Representative

With over 35 years of manufacturing experience Laurysen Kitchens is a family owned and operated company who is looking for a dynamic individual who is searching for a long term career opportunity.

The candidate should have a minimum of 3 - 5 years experience in the cabinet industry and have an established relationship with Kitchen & Bath Dealers in this geographic region.

We are looking to expand our presence in the area through the further development of existing Dealers and expansion through new Dealers. You should have a strong sales background, be self motivated and looking for long term employment. Cabinet manufacturing knowledge would be an asset.

The position will require computer skills and working knowledge of 2020 software program. Training will be provided in regards to Product Knowledge as well as 2020 training if required.

If you would like to work for a family owned and operated company and enjoy the challenge and competition that this position offers then Laurysen Kitchens would like to hear from you.

Please forward your resume to the attention of:

Mr. Giuseppe R. Castrucci
Vice President Sales & Marketing

Laurysen Kitchens Ltd.
2415 Carp Rd. P.O. Box 1235
Stittsville, Ontario
K2S 1B3
